Colometrics C1400 Customer Displays

With a customer display, communication with customers takes place at eye level. That's why the C1400 POS system is available with a 2 × 20 VFD or a 4.3" LCD customer display, as required.

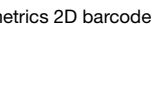

Colometrics C1400 Customer Displays	SKU	Description	Retail Price	Your Price
<p>Colometrics customer display, VFD</p>  A photograph of a VFD (Vacuum Fluorescent Display) assembly. It includes a long, thin display panel with a grid of characters, a blue printed circuit board (PCB) with various electronic components, and a black plastic bezel. A white cable is attached to the top of the display panel.	16D010367B	Customer display, VFD, fits for: C1400	115.67 €	
<p>Colometrics customer display, 10,92 cm (4,3")</p>  A photograph of an LCD (Liquid Crystal Display) assembly. It features a small, rectangular display panel with a black bezel, a green PCB with electronic components, and a white cable. The display panel is shown both with and without the bezel.	16D010368B	Customer display, 10,92 cm (4,3"), fits for: C1400	146.10 €	

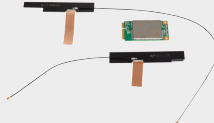

Colometrics C1400 Series Accessories

The POS system may be optionally expanded via the large selection of accessories, such as with various types of readers or a waiter's lock. You also have your choice between various optional interface modules for RFID, LTE or Bluetooth with WiFi.
